

15TH INTERNATIONAL CONFERENCE ON MANAGED LANES EVOLUTION OF MANAGED LANES: WHAT'S NEXT AND HOW DO WE GET THERE?

May 4-6, 2016

Miami, Florida

MANAGED LANES, TOLLWAYS, ROADWAY PRICING AND PUBLIC TRANSIT PLAY A CRITICAL ROLE IN MOVING PEOPLE AND GOODS.

This conference is designed to bring together professionals from across the industry to discuss emerging ideas related to managed lanes, roadway pricing and public transit that will impact the operations of freeways and tollways. This event is co-sponsored by the Transportation Research Board's *Managed Lanes* (AHB35), *Congestion Pricing* (ABE25), and *Bus Transit Systems* (APO50) Committees.

Planned conference activities and events include multiple technical sessions, a poster session, technical tours, a student paper competition, and presentation of awards. Please stay tuned through the three co-sponsoring TRB committees for further information on how to be part of these activities and events. There will be a call for papers and posters and a call for student papers.

BE SURE TO SAVE THE DATE IN ORDER TO ATTEND THIS IMPORTANT CONFERENCE
