

Keep this Statement for  
your records.

## Professional Development Hours Credit Statement for Registrant Records

Many licensure and certification agencies require the demonstration of continuing professional competency. Your attendance at this meeting entitles you to earn Professional Development Hour (PDH) units. This form is for your use in maintaining a record of the PDH units you have earned at this meeting. Complete this form and retain it. **Please do not return it to TRB.**

We recommend that you save (via download) this entire Final Program for your records should the licensure or certification agency request information from you. Reporting is done on an honor basis, and members are responsible for maintaining their own records.

The table below shows PDHs that can be earned for the continuing education activities included in the Transportation Research Board **Workshop on Traffic Simulation and CAV Modeling**, November 16-18, 2020.

Ann M. Brach, PhD, PE  
Director, Technical Activities

| DAY                     | TIME             | TITLE  | HOURS | HOURS EARNED |
|-------------------------|------------------|--|-------|--------------|
| Monday, Nov. 16         | 10:00-11:30 a.m. | Traffic Simulation: Past, Present, and Future      | 1.50  |              |
|                         | 12:00-1:30 p.m.  | CS-Elements in Emerging Vehicle Analysis, Modeling | 1.50  |              |
|                         |                  | CS-Simulating Alternative Mobility Option          | 1.50  |              |
|                         | 2:00-3:30 p.m.   | Interactive Session                                | 1.50  |              |
|                         | 4:00-5:30 p.m.   | SimCap Overview                                    | 1.50  |              |
| Tuesday, Nov. 17        | 10:00-11:30 a.m. | Workshop on Emerging Concepts in Calibration       | 1.50  |              |
|                         | 12:00-1:30 p.m.  | CS-Cooperative Driving Automation, Part 1          | 1.50  |              |
|                         |                  | CS-Infrastructure Support Simulation               | 1.50  |              |
|                         | 2:00-2:45 p.m.   | BO-Researching Solutions to Gaps                   | 0.75  |              |
|                         |                  | BO-Multi-modal and Mixed Traffic Models            | 0.75  |              |
|                         | 3:00-3:45 p.m.   | BO-Simulation to Support Performance-Based         | 0.75  |              |
|                         |                  | BO-Emerging Vehicle Technology                     | 0.75  |              |
|                         | 4:00-5:30 p.m.   | Technology Presentations                           | 1.50  |              |
| Wednesday, Nov. 18      | 10:00-11:30 a.m. | CS-Multi-Resolution and Agent-Based Modeling       | 1.50  |              |
|                         |                  | CS-Cooperative Driving Automation, Part 2          | 1.50  |              |
|                         | 12:00-1:30 p.m.  | CS-Effects of CV-Based Applications                | 1.50  |              |
|                         |                  | CS-Multimodal Modeling                             | 1.50  |              |
|                         | 2:00-4:00 p.m.   | Closing Session                                    | 2.00  |              |
