

How to Access the TRR for Authors

Go to Editorial Manager (<https://www.editorialmanager.com/trbam/default.aspx>) for the TRB Annual Meeting submissions and log in as an Author.

The screenshot shows the Editorial Manager login interface. At the top, a box says "Please Enter the Following". Below it are fields for "Username:" and "Password:". Three buttons are visible: "Author Login", "Reviewer Login", and "Editor Login". Below these is the text "Or Login via:" followed by an ORCID icon and the text "What is ORCID?". Further down are links for "Send Login Details", "Register Now", and "Login Help".

Insert Special Character

If you do not have an account, you will need to press "Register Now" and create an account before you can log in as an author.

Press "Author Login" if you already have a TRR/TRB Editorial Manager login. (If you submitted a paper in previous years, you are already registered.)

You have an account if you have submitted a paper in previous years. If your email has changed since the last time you submitted, please contact us at trr@nas.edu instead of creating a new account.
