FULL COLLECTION 2017

Publication series included in this subscription:

| | |
|---|---|
| TR News | Bimonthly. Contains discussions of the activities and programs of the Board and transportation activities of government and industry in the United States and other countries, feature articles on timely subjects, and publishes announcements of TRB publications and meetings. Includes the TRB Annual Report, which summarizes TRB activities and includes a financial statement. ISSN: 0738-6826 |
| Transportation Research Record (Online Only) | Irregular. Each Record contains several technical papers on a given subject. The papers are usually prepared for a TRB Annual Meeting and accepted for publication through TRB's technical review process. These papers have relatively permanent significance. Approximately 900 papers in approximately 60 issues annually. ISSN: 0361-1981 |
| Special Report | Irregular. Special Reports are the result of Congressional mandates, requests from the administration, or studies self-initiated by the TRB Executive Committee on timely and controversial issues with a substantial scientific or technical dimension.. Approximately 3-4 issues annually. ISSN: 0738-6826 |
| Conference Proceedings | Irregular. These are the proceedings of and research prepared for conferences and workshops held by TRB on a wide variety of transportation issues. Approximately 1–2 issues annually. ISSN: 1073-1652 |
| ACRP Research Report (Airports) | Periodically. Each contains the final report of research conducted under the Airport Cooperative Research Program, which is administered by the Federal Aviation Administration. Approximately 25-30 issues annually. ISSN: 1935-9802 |
| ACRP Synthesis of Airport Practice | Periodically. Synthesizes existing information on selected topics and points the way toward recommended practices. Approximately 8-10 issues annually. ISSN: 1935-9187 |
| ACRP Research Results Digest (Airports) | Periodically. Issued as warranted to provide early awareness of research results emanating from ACRP projects before the final reports are published. Approximately 3-4 issues annually. ISSN: 1936-3400 |
| ACRP Legal Research Digest (Airports) | Periodically. Issued to provide early awareness and encourage application of research results emanating from ACRP Project 11-01, |

“Legal Aspects of Airport Programs.” Approximately 4-6 issues annually. ISSN: 1936-0665

HMCRP Research Report (HAZMAT)

Irregular. Each contains the final report of research conducted under the Hazardous Material Cooperation Research Program, which is administered by the U.S. Department of Transportation's Pipeline and Hazardous Materials Safety Administration (PHMSA). 14 reports published. ISSN: 2150-4849

NCFRP Reports (Freight)

Irregular. Each contains the final report of research conducted under the National Cooperative Freight Research Program, which is administered by the U.S. Department of Transportation's Research and Innovative Technology Administration (RITA). 36 total. ISSN: 1947-5659

NCHRP Synthesis of Highway Practice (Highways)

Periodically. Synthesizes existing information on selected topics and points the way toward recommended practices. Approximately 15 annually. ISSN: 0547-5570

NCHRP Research Results Digest (Highways)

Periodically. Issued as warranted to provide early awareness of research results emanating from NCHRP projects before the final reports are published. Approximately 4 issues annually. ISSN: 0547-5554

NCHRP Legal Research Digest (Highways)

Periodically. Issued to provide early awareness and encourage application of research results emanating from NCHRP Project 20-6, “Legal Problems Arising Out of Highway Programs.” Approximately 4 issues annually. ISSN: 1080-4781

NCHRP Summary of Progress (Highways)

Annual. Provides an overview of the NCHRP projects completed during the year reviewed.

NCRRP Report (Rail)

Irregular. Conducted applied research on problems that are shared by freight, intercity passenger (including high speed rail) and commuter rail operators. The program was sponsored by the Federal Railroad Administration (FRA), with program oversight provided by an independent governing board (the NCRRP Oversight Committee) appointed by the Secretary, U.S. DOT. It produced 6 reports.

NCRRP Research Results Digest (Rail)

Irregular. Issued as warranted to provide early awareness of research results emanating from NCRRP projects before the final reports are published. Approximately 1 issue.

NCRRP Legal Research Digest (Rail)

Periodically. Issued to provide early awareness and encourage application of research results emanating from NCRRP Project 12-01. “Legal Aspects of Rail Programs.” 3 Legal Research Digests produced.
