For the first time in almost 60 years, the TRB Annual Meeting will be moving to a new venue. TRB’s 94th Annual Meeting will be held at the Walter E. Washington Convention Center in Washington, D.C., January 11–15, 2015. This is the sixth and final article in a series about the move.

The landmark TRB Annual Meeting is almost upon us. This is a good time for attendees to review their checklists for the meeting. Here are some actions to include:

**Before the Meeting**
- **Preview your hotel.** If you are staying at one of the hotels in the TRB room block, go to the “Housing” tab on the TRB Annual Meeting website to find the hotel location, its distance from the convention center, hotel amenities, direct links to the hotel website, and suggestions for traveling between the hotel and the convention center.
- **Preview the area.** Click on the “Transportation and Local Information” tab on the Annual Meeting website for local transportation options, maps, and local attractions. There will be no TRB shuttle buses at the meeting.
- **Check your Annual Meeting registration and materials.** If you preregistered for the meeting, check to make sure you have received a confirmation from TRB. Attendees who live in the United States or who have registered by November 30 can receive name badges by mail in advance or can pick up their badges at the meeting. Attendees outside the United States or who have registered after November 30 can pick up their badges at the meeting.
- **Plan your itinerary.** Use the online Interactive Program or the mobile app to look up meeting events and to build a schedule. To access the Interactive Program, go to www.TRB.org/AnnualMeeting and click “Interactive Program.” To download the mobile app, go to the App Store or Google Play and search for “TRB 2015.”

**At the Meeting**
- **Get your bearings.** Set aside some time on arrival to learn your way around. Familiarize yourself with the surrounding environment and with travel to and from the new venue.
- **Attend the Welcome Session.** If your schedule permits, attend the Welcome Session on Sunday, January 11, at 2:30 p.m. to gather tips on navigating the new meeting venue.
- **Use the tools.** Floor maps are provided in the printed program, in the mobile app, and at various locations throughout the venue. Facility staff and TRB volunteers also will be available to guide you.
- **Expand your horizons.** The more than 5,000 presentations in 750 workshops and sessions—as well as the hundreds of committee meetings and exhibits—provide a great deal of information. More than 50 sessions and workshops in the spotlight theme, “Corridors to the Future: Transportation and Technology,” highlight technologies that could transform transportation significantly. Supplementing this theme, 25 sessions and workshops address the opportunities and challenges presented by connected-automated vehicles.
- **Network.** Take advantage of opportunities for face-to-face networking and use the complimentary Wi-Fi provided by TRB in the Convention Center and in the Marriott Marquis to facilitate social networking. Follow TRB on Twitter at @TRBofNA and share experiences with the TRB Annual Meeting hashtag #TRBAM.

**After the Meeting**
- **Share your experience.** Complete the online attendee survey that will be e-mailed near the end of the meeting. Share your thoughts on the new venue and on ways TRB can enhance your experience at future meetings.
- **Access the TRB Annual Meeting Online.** Visit http://AMOnline.TRB.org to access the papers and visual presentations from 2011–2015 TRB Annual Meetings. Materials from 2015 will be added shortly after the meeting ends; materials from 2011 to 2014 are available now for registered attendees.
- **Mark your calendar.** The TRB 95th Annual Meeting will be held at the Walter E. Washington Convention Center in Washington, D.C., January 10–14, 2016.
