Professional Development Hours Credit Statement for Attendee's Records
TRB 98th Annual Meeting, January 13–17, 2019

Many licensure and certification agencies require the demonstration of continuing professional competency. Your attendance at this meeting entitles you to earn Professional Development Hour (PDH) units. This form is for your use in maintaining a record of the PDH units you have earned at this meeting. The hours shown are based on guidance published by the National Council of Examiners for Engineering and Surveying (NCEES). Complete this form and retain it for your records. **Do not return it to TRB.** We recommend that you save the entire *Final Program* for your records in case the licensure or certification agency requests information. Reporting is done on an honor basis, and individuals are responsible for maintaining their own records.

The table below shows the PDHs that I have earned for the continuing-education activities included in the 98th Annual Meeting of the Transportation Research Board, held in Washington, D.C., January 13–17, 2019.
