Professional Development Hours Credit Statement for Attendee's Records
TRB 100th Annual Meeting, January 21–29, 2021

Many licensure and certification agencies recognize Professional Development Hour (PDH) units toward demonstration of continuing professional competency. However, in light of COVID19's impact on in-person educational activities, it is strongly recommended that you check with your own state licensure/ certification agency about their specific requirements for PDHs at virtual events.

This form is for your use in maintaining a record of any PDH units you earn at the TRB Annual Meeting. Complete this form and retain it for your records. **Do not return it to TRB.** It is recommended that you save the full program of each session or workshop you attend, in case the licensure or certification agency requests detailed information. Reporting is done on an honor basis, and individuals are responsible for maintaining their own records.

I have earned continuing-education PDHs by attending the following Lectern Sessions and Workshops , during the 100th Annual Meeting of the Transportation Research Board, held online, January 21–29, 2021. <i>(Note: Poster sessions do not qualify for PDH credits.)</i>
