

## Why Attend a *Virtual* TRB Annual Meeting?

**Because the need for knowledge hasn't changed.**

**Check all the boxes and the value is obvious:**

- Quality** - Access to the same high-quality content that you've come to expect from TRB.
- Engagement** - Attend open committee meetings, January 5-8 and January 11-15, 2021, without any scheduling conflicts from technical sessions.
- Convenience** - Conflicting sessions? No problem! Access video recordings of any sessions you might have missed, for up to three weeks after the meeting.
- Networking** – Learn from and connect via chat or video stream with some of the leading transportation experts in the world, after sessions, during social events, or in the exhibit hall.
- Community** – You have heard about it and read about it, and now's your chance to see why everyone is so excited about "TRB," from the comfort of your home or office.
- Flexibility** - View paper session materials on your schedule, 24/7 from January 21 to February 16, 2021, not just during the session in which the paper is presented.
- Resources** - Years of access to PowerPoints, posters, abstracts, and most unpublished papers through TRB's archived Online Program.
- Solutions** – Explore the newest products and services in the industry by connecting with TRB's exhibitors. Chat or video stream live with exhibitors or leave your card behind. Get 24/7 access to links, videos, and downloadable materials that will offer potential solutions to your community's pressing needs.
- Value** - Professional development on your schedule at half the cost of the in-person TRB Annual Meeting. So what's not to like?
