

ACRP Airport Cooperative Research Program

TRB ACRP Airport Industry Outreach Workshops

West Coast Irvine, CA – November 10, 2008

East Coast Washington, DC – November 13, 2008

The Airport Cooperative Research Program invites you to attend Industry Outreach Workshops scheduled for November 2008. Join other airport professionals from across the nation to identify and discuss current topics and emerging issues facing the airport industry. The result of these ACRP workshops will be a list of critical or strategic topics suitable for ACRP research, which may help guide airports into the future.

The workshop objectives are to:

- Categorize research ideas, as generated by a series of industry focus groups
- Define and describe categories
- Prioritize categories for review and consideration by the ACRP Oversight Committee (with special emphasis on participation by airport management and staff)

Registration

To reserve your spot at one of these important limited attendance workshops, [click here to register now!](#) Registration is required by November 7 for the West Coast Workshop and by November 11 for the East Coast Workshop. Lunch is provided and there is no fee for the workshops. The dress code is business casual. You must indicate your preference for two of six breakout sessions:

- Administration / Human Resources / Finance
- Design / Construction
- Environment / Sustainable Resources / Energy
- Maintenance / Operations
- Policy & Planning
- Safety / Security

Hotel and Travel

A block of rooms at the per diem rate are reserved for each workshop. To receive this special rate, contact the hotel directly for the workshop you would like to attend and identify yourself as part of the TRB Airport Industry group.
