On July 22-23, 2013, seven TRB Committees from the Sections on Transportation Policy, Aviation, and Social and Economic Factors and nine of their Subcommittees will convene to conduct their summer meetings and future conference-planning activities.

The program will include specialty sessions and workshops on finance, policy, environmental justice, and the links between health and transportation, and a walking tour.

The conference's closing session will feature an international session on sustainability to include U.S. officials and Directors of European Transport Research Institutes. Please view the schedule-at-a-glance for further details.
