

Sunday, July 12, 2020

Event Topics

| | 1:30pm-3:15pm | 3:15pm- 3:45pm | | 3:45pm-5:30pm | 6:00pm-8:00pm | | | | | |
|--------------------------------|--|-------------------|---|--|---|--|--|--|--|--|
| Registration (opens at 1:00pm) | | | | | | | | | | |
| 1 | Environmental Analysis and Ecology Committee Meeting | | 1 | Environmental Analysis and Ecology Committee Meeting (Continued) | | | | | | |
| 2 | Environmental Analysis and Ecology Committee Meeting | Break | 2 | Environmental Analysis and Ecology Committee Meeting (Continued) | | | | | | |
| 3 | Transportation-Related Noise and Vibration Committee Meeting | | 3 | Transportation-Related Noise and Vibration Committee Meeting (Continued) | Reception & Poster Session | | | | | |
| 4 | _ | | 4 | Resource Conservation and Recovery Committee Meeting | | | | | | |
| 5 | _ | | 5 | _ | | | | | | |
| 2 | Environmental Analysis Events Ecology Events | 3 | | & Vibration Events rce Conservation & Recovery | Air Quality, Energy, and Alternative Fuels Events | | | | | |

Monday, July 13, 2020

Event Topics

| 8:30am- 10:00am | 10:00am- 10:30am | | 10:30am-Noon | Noon- 1:00pm | | 1:00pm-2:30pm | 2:30pm- 3:00pm | | 3:00pm-4:30pm | | 4:30pm- 6:00pm | |
|--|-----------------------------|---|---|-----------------|---------|---|---|-----------------------------|---|---|---|---|
| Registration (opens at 8am with a light breakfast with Exhibitors) | | | | | | | | | | | | |
| | | 1 | Federal Highway Administration Up- date | | 1 | Permissible Expo- sure Limits (PEL) In Practice | | 1 | New Thinking with Context Sensitive Solutions and PEL in Delivering Better Environmental Outcomes | 1 | Federal Transit Administration Update | |
| | | 2 | Colorado Wildlife Crossings and Habi- tat Connectivity | Lunch | 2 | Colorado Ecological Planning and Miti- gation | | 2 | NCHRP Environ- mental/Ecological Projects | 2 | _ | |
| Plenary | Break With Exhibitors | 3 | Developing and Implementing Transportation Noise Policies (Part 1) | | Lunch 4 | 3 | Developing and Implementing Transportation Noise Policies (Part 2) | Break With Exhibitors | 3 | Deployment and Use of TNM 3.0 | 3 | - |
| | | 4 | Recycling and Reuse of Waste and Industrial By- Products and Lands | | | 4 | Salt Alternatives : Research and Impact Evaluation/ Remediation | | 4 | Right of Way Use Alternatives: Ener- gy and Water | 4 | - |
| | | 5 | Energy and Emissions Impacts of Automated Vehicles | | 5 | Disruptive Mobility and Equity | | 5 | Freight: Energy, Air Quality, Exposure, Equity | 5 | Key Air Quality/ Energy/Alternative Fuels Challenges in Transportation Policy | |

Tuesday, July 14, 2020

Event Topics

| | 8:30am- 10:00am | 10:00am- 10:30am | | 10:30am-Noon | Noon- 1:00pm | | 1:00pm-2:30pm | 2:30pm- 3:00pm | | 3:00pm-4:30pm | | 4:30pm-6:00pm |
|---|--|---------------------|---|--|-----------------|---|--|--------------------|---|---|---|--|
| | Registration (opens at 8am with a light breakfast with Exhibitors) | | | | | | | | | | | |
| 1 | One Federal Decision | | 1 | Environmental Justice/ Transportation Equity (Part 1) | | 1 | Environmental Justice/ Transportation Equity (Part 2 | | 1 | Environmental Documentation Page Limits (Part 1) | 1 | Environmental Documentation Page Limits (Part 2) |
| 2 | Hot Topics/ Emerging Issues in Transportation and Ecology | | 2 | Developing National Standards for Animal-Vehicle Collision Data Col- | | 2 | Transportation/ Ecology Research Workshop (Part 1) | | 2 | Transportation/ Ecology Research Workshop (Part 2) | 2 | _ |
| 3 | Practical Applications of NCHRP 791 (Part 1) | Break | 3 | Practical Applications of NCHRP 791 (Part 2) | | 3 | Strategies and Approaches to Analyzing Transportation Noise (Part 1) | Break | 3 | Strategies and Approaches to Analyzing Transportation Noise (Part 2) | 3 | Strategies and Approaches to Analyzing Transportation Noise (Part 3) |
| 4 | Environmental Remediation | With Exhibitors | 4 | PFAS : Current Research and Impacts | Lunch | 4 | Intersection of Compliance and Sustainability: A Conversation | With Exhibitors | 4 | Climate Change Impacts on Water Use and Transpor- tation | 4 | _ |
| 5 | Light-Duty Electric Vehicle Market | | 5 | Maximizing Transportation System and Electrical Grid Efficiency and Community Benefits | | 5 | Transformative Transportation Technology: Methods and Tools to Inform Policy | | 5 | Transformative Technology: Policies to Maximize Environmental and Equity Benefits | 5 | Committee Meetings: • Air Quality & Greenhouse Gas Mitigation • Transportation Energy • Alternative Transportation Fuels & Technologies |
