### SMALL BUSINESS EDUCATIONAL SERIES

- ✓ Does your firm provide a construction related service?
- ✓ Have you worked on a construction project in the past?
- ✓ Are you looking to take your business to the next level?

#### Learn how your small business could effectively and successfully participate on CTA contracts

Key industry leaders will teach participants how to procure business opportunities, manage projects, protect against risk, run payroll correctly, create accurate estimates, and close our projects.

Upon successful completion of the program, participants will have the option to receive OSHA 30 Training and also to receive their First Aid/CPR certification. These trainings will be hosted and provided free of charge by the Chicago Transit Authority.
