

# NCHRP-IDEA Proposal Evaluation

Rev. 2009-06-06

The reviewer's identity will be kept confidential and will not be released outside of the IDEA program. However, the IDEA program may provide the proposal's principal investigator with a summary of these comments. The reviewer agrees not to disclose any proprietary information contained in this proposal.

| Proposal No.   | Previous Proposal No. | Principal Investigator | Institution |
|----------------|-----------------------|------------------------|-------------|
|                |                       |                        |             |
| Proposal Title |                       |                        |             |
|                |                       |                        |             |

| Duplication  |  |
|--|--|
| Does proposed research duplicate any similar research or developments that you know of (Y/N)? <input type="checkbox"/> If yes, explain → |  |

| Evaluation<br>[0-10 for each item; 0=poor or missing; 10=outstanding]  | Score    |
|--|----------|
| <b>Factor 1: Quality of Innovation:</b> Is the concept innovative? Is there technical/scientific merit to it? Is there potential to produce a breakthrough or a major advancement?   |          |
| <b>Factor 2: Research Approach:</b> Is the approach reasonable and sound? Is the approach informed by knowledge of related work?   |          |
| <b>Factor 3: Potential Benefits:</b> Is this an important problem to solve? If successful, could the product be effectively put into practice? Will the benefits be significant?   |          |
| <b>Factor 4: Economic Feasibility:</b> How economically feasible is the new technology, method or process? Are deployment cost estimates stated and plausible?   |          |
| <b>Factor 5: Implementation/Commercialization Plans:</b> How practical and clear is the plan for product implementation/commercialization? Is the <u>work</u> endorsed by letters from public agencies or private companies? When appropriate, is there partnership specified in the proposal? |          |
| <b>TOTAL SCORE</b> Max 50; Select field and press F9 to calculate →  | <b>0</b> |
