

ACRP Ambassador Program Application Form

ACRP selects Ambassadors through a competitive application process. To apply, carefully review the Ambassador Program Guidelines and complete and submit this application form along with:

- A brief (one- to two-page) personal statement describing the applicant's relevant qualifications and explaining why he or she would be a good ACRP Ambassador.
- A current resume (two pages or less).
- One letter of reference that addresses the applicant's familiarity with airports in his or her region, knowledge of ACRP projects or products, and other pertinent accomplishments. Letters of reference may be from an employer, a colleague, a client, or other party familiar with the applicant's experience and qualifications. *Applicants may indicate their recent participation on an ACRP project panel or research team in lieu of providing a letter of reference.*
- An updated MyTRB Account profile (to create a MyTRB account, go to mytrb.org).

Please review the selection criteria and considerations in the Ambassador Program Guidelines when preparing your application, especially your personal statement.
