

## ***TRB Weekly* newsletter subscription FAQs**

**If I am already getting the *TRB E-Newsletter*, why do I need to re-subscribe to get the new *TRB Weekly* newsletter?**

TRB is ending production of the TRB E-Newsletter this summer. Its place will be taken by the *TRB Weekly* newsletter.

We are upgrading our software behind the scenes and we are unable to move our existing E-Newsletter subscribers to the *TRB Weekly* newsletter. Think of the re-subscription process as an opportunity to fine tune your subscription topics to ensure you are getting the news you want and need from TRB.

**Do I need a MyTRB account to get the *TRB Weekly*?**

Yes, you will need a MyTRB account to receive the new *TRB Weekly* newsletter. To re-subscribe or set up an account if necessary, go to <https://www.mytrb.org/Profile/MyAccount/TRBWeekly>.

**I have been receiving the E-Newsletter for a while, but when I attempt to re-subscribe for the *TRB Weekly* I am getting a message that says my email does not match a profile in the MyTRB database. Is this an error?**

MyTRB and the old E-Newsletter are separate systems, so existing subscribers might not necessarily have a MyTRB account even though they have been receiving the E-Newsletter for years. If the system says you don't have an account, it will only take you a couple of minutes to set one up. To set up a MyTRB account and subscribe, go to <https://www.mytrb.org/Profile/MyAccount/TRBWeekly>.

**If I don't re-subscribe to the new *TRB Weekly* newsletter, will TRB re-subscribe me automatically?**

No, you have to take a positive action to continue to get TRB's newsletter. The new subscription process is through the MyTRB portal. To re-subscribe, go to <https://www.mytrb.org/Profile/MyAccount/TRBWeekly>.

If you have a MyTRB account the process will take you less than two minutes to re-subscribe. If you don't have a MyTRB account the process will take just a little longer.

**Do I have to be a member of a TRB committee or panel, or be an employee of a TRB sponsor or affiliate to receive *TRB Weekly*?**

No, the *TRB Weekly* is available for free to anyone interested. You do not need to pay anything to have an account in MyTRB, it is a free way to stay connected with the transportation research network.

**Why is the TRB newsletter changing?**

We are updating the deliverability, usability, and readability of the newsletter. We know you'll like it!

**When will I start getting the *TRB Weekly* newsletter?**

The switch from the *TRB E-Newsletter* to the *TRB Weekly* newsletter will take place this summer.

**What if I don't re-subscribe?**

Then you are going to miss out on keeping up-to-date on TRB activities and learning about transportation research-related activities taking place at the federal and state levels, and within the academic and international transportation communities.

**How often will I receive the new *TRB Weekly* newsletter?**

The *TRB Weekly* will be delivered every Tuesday morning, just like the *TRB E-Newsletter* we've delivered into inboxes for the past 19 years.
