City Issues Coordinating Council (A0030C)

Monday, Jan 06, 2025 10:15AM - 12:00PM, Liberty Salon N (M4) / Marriott Marquis

Scope: This council will address the transportation problems and issues facing the largest cities in the United States. The focus will be on passenger and freight transportation from the perspective of central city transportation agencies, with emphasis on management, planning, design, maintenance, operations, and finance and coordination with regional and state agencies. The committee will identify problems and issues that large cities have in common, assess the state-of-the-art of transportation in these cities, and define needed research, studies, and information exchange activities to assist in the resolution of large city transportation problems.

Rural Transportation Issues Coordinating Council (A0040C)

Rural Issues Coordinating Council (A0040C)

Wednesday, Jan 8, 2025 8:00AM - 12:00PM, Liberty Salon O (M4) / Marriott Marquis

Scope: This council promotes among the Technical Activities committees attention to the specific and unique circumstances related to providing transportation to and within rural areas. All aspects of rural transportation are considered, including but not limited to planning, design, construction, operations and service provision, and maintenance. This relates to transportation of both people and goods and service to rural communities, markets and people.
