Demographics of Members

Type of Volunteer	Public Transportation	TRB-wide
International Members	21.2 %	14.1 %
Young Members	14.1%	11.4%
Female Members	31.3	26.6%
Minority Members	18.0%	18.0%

Major Issues

- Adjusting to the explosion of rides on demand and ride sharing made possible by transportation network companies
- Declining Ridership
- Automated buses
- Big Data. Storing, managing, and using data effectively requires resources and a new kind of talent.
- Transportation and health
- Safety and security - safety culture
- Asset Management/State of Good Repair
- Transition to zero- emission fleets

Public Transportation Sessions

2018 Annual Meeting

- 37 Lectern sessions from transit committees and FTA
- 219 posters
- 3 Sunday Workshops
 - US DOT Mobility on Demand Initiative. Morning and Afternoon
 - Transit Asset Management
 - Achieving Safety and Security in Today's Resource-Constrained Environment

Upcoming Conferences

- June 18-20: Bus Rapid Transit - Los Angeles
- July 14-17: Asset Management, San Diego
- Demand Responsive Transportation: TBD
- September 30- October 3: Rural and Intercity Bus, Breckenridge
- April 7-9, 2019: Light Rail joint with APTA, Jersey City

Thank You
