TRB Snap Search: Shared Mobility

TRB's involvement in research on Shared Mobility from 2021-2024

The Transportation Research Board (TRB) provides innovative, research-based solutions to improve how we move. TRB is part of the National Academies of Sciences, Engineering, and Medicine, an independent, non-profit institution that provides objective advice on scientific, engineering, and medical issues.

A resource to the nation and to the transportation community worldwide, TRB provides an extensive portfolio of services:

- Opportunities for information exchange on current transportation research and practice
- Management of cooperative research and other research programs
- Analyses of national transportation policy issues and guidance on federal and other research programs
- Publications and access to research information from around the world

All available Snap Searches can be accessed online here: [http://www.trb.org/InformationServices/Snap.aspx](http://www.trb.org/InformationServices/Snap.aspx)

Recent and Upcoming Events

**Upcoming Events** - In the Upcoming Events tab under Types, choose what event you are interested in, search titles by keyword

- **TRB's 4th International Conference on Access Management**
  - June 24-26, 2024
  - Boston, MA

- **TRB’s Annual Automated Road Transportation Symposium**
  - July 29-Aug 1, 2024
  - San Diego, CA

Past Events - In the Past Events tab under Types, choose what event you are interested in, search titles by keyword

- **Forum on Preparing for Automated Vehicles and Shared Mobility Services**
  - November 28, 2023
  - Washington, D.C.

- **TRB International Conference on Low Volume Roads**
  - July 23-26, 2023
  - Cedar Rapids, IA

- **Innovations in Travel Analysis and Planning Conference**
  - June 4-6, 2023
  - Indianapolis, IN

- **International Conference on Road Weather and Winter Maintenance**
  - May 9-10, 2023
  - Washington, D.C.

**TRB’s Transportation Research Information Services (TRIS)**

TRIS includes the [TRB Library](#) and the [TRIS Databases](#) (listed below) which are available free on TRB’s website.

The TRB Library provides information services to TRB staff, sponsors, TRB Committee members and panels and researchers. Access to the TRB Library is a benefit to TRB sponsors and TRB committee members.

In cooperation with your State DOT Library or Information Service, the TRB Library provides:

- Reference and research assistance
- Literature searches
- Articles for TRB Committee work

The TRB Library provides training on effective and efficient use of the following TRIS resources:

- **Transportation Research International Documentation (TRID)** – [trid.trb.org](http://trid.trb.org) - The world's largest and most comprehensive bibliographic source on all modes and disciplines of transportation
- **Transportation Research Thesaurus (TRT)** – [trt.trb.org](http://trt.trb.org) - A tool to improve the indexing and retrieval of transportation information.
- **Research in Progress (RiP) Database** – [rip.trb.org](http://rip.trb.org) - Current or recently completed transportation research projects
- **Publications Index (PubIndex) Database** – [pubindex.trb.org](http://pubindex.trb.org) - The papers, articles and reports published by the Transportation Research Board, Strategic Highway Research Programs or the Marine Board
